  - 112 cars have been registered for the car show; 50 signed up for Friday activities and 62 signed up for the barbecue. This appears to be on track for 300 cars. ## **New Business:**

Club meetings and dinner

- The low attendance at dinners at the monthly meetings was addressed. It was agreed that May meeting was the last chance. The Board agreed, that if we could not meet the minimum in May, dinners as part of the meeting would be cancelled.
